The Turkey Shoot Adult Slow Pitch Tournament is a 2-day event held at the Kennedy Softball Complex. Each year it draws in approximately 560 participants and 800 spectators.

The tournament gives adults an opportunity to participate in the sport they love while showing off their athletic abilities. Turkey Shoot is open to any adult slow pitch team and promotes healthy competition among all players. At the completion of the tournament the winners receive a frozen turkey; just in time for Thanksgiving.
